

Accelerated Reading Points

Twenty (20) AR points will be required for each nine week period. One (1) bonus point for every point over twenty will be given up to ten bonus points. The first nine weeks you may count one summer reading book toward your twenty points. The second nine weeks *The Westing Game* AR test will count toward your points. The third nine weeks *The Outsiders* will count toward your points, and the fourth nine weeks *The Adventures of Tom Sawyer* will be the book to count toward your points.

You may test anytime you have finished a book. I expect your reading log to be kept up to date and signed at the end of the nine weeks.

AR will count as a test grade each nine weeks.
