

Dear Parents and Students,

I hope that this letter finds you all well! I have exciting news...I understand that finding children's Spanish books for the Enrichment Grade can prove difficult for some; therefore, I have connected with Scholastic Books and have joined an on-line Book Club, enabling all of my students to order books on-line- directly from the comfort of your "casa!" I will be sending home the monthly newspaper catalogs with your child, which may help to narrow your decision. The prices are wonderful (with no tax) and the shipping is free! By ordering on-line, our class earns FREE books, software, and other useful tools and resources. Placing your order on-line through Scholastic Books is completely safe and secure. Simply be sure to place your order by the due date (listed below).

* Here's how it works...

1. Use the information below to access our Scholastic Book Club web site.

www.scholastic.com/bookclubs

2. Select "Parent." Then, click on the box that says "First Time Here."
3. Simply click on the "Register" icon. The next time you visit the site, you simply log in using the username and password that you created.
4. Our CLASS CODE is: **GNDR6**
5. From there you should be able to access our "Club Leo" catalog.
6. Browse the titles with your child, and place your order with your debit / credit card.
7. Your order will come to me, and your credit card payment will go directly to Scholastic's secure server. Transactions will not be withdrawn from your account until the due date (listed below). There's no need to send money to school.
8. Be sure to submit your order before the 1st nine weeks due date!

DUE DATE: October 2, 2012. (Due dates always take place a day or two before the end of each nine weeks period).

9. After I submit the entire class's order to Scholastic, your order will be safely delivered to our classroom for all to enjoy!!

Please know that this is completely optional!! There are many other opportunities listed on the Enrichment Form for students to obtain credit. If you have any questions, please don't hesitate to contact me.

En Dios,

Profe Hawkins
